Dear Mr Gee

**Email dated 12 June 2015**

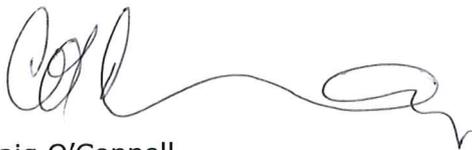

I refer to your email to the Plumbers, Gasfitters and Drainlayers Board of 12 June 2015 in which you advise that the Board has not responded to a matter raised in your email of 6 March 2015. The matter was:

*"Also I would complain that even through someone nearly died because of bad, very bad gasfitting and shoddy practices, that no one has been held responsible for nearly killing Ron Clark."*

I advise this matter has already been addressed.

In response to your request, I advise that I will not review my reply to you contained in the letter dated 10 June 2015.

Yours sincerely

Craig O'Connell  
**Acting Registrar**
